Protestor Response Worksheet

We, at the Kern County Museum, understand we’re living in monumental times, and we would like to take a moment to recognize that.

Our goal is to work with the community to build a local record of these historical times.

If you have recently participated in a protest, of any kind, we invite your artifact donation (i.e., signs, pictures, posters), along with this worksheet.

All of the information below is completely optional- fill questions out as your comfort level allows.

1. Gender: _________________
2. Age: _________
3. Did you attend a protest? Yes No
4. If you answered NO above, did you participate or support a protest virtually?
   *If you answered YES above, please answer the questions below...
5. Did you attend any organized protests or show up to a location on your own?
6. If you participated in an organized protest(s), which one(s)? What dates?
7. Did you participate in any marches? If so, where did you march and when?
8. Did you participate in any chants? If so, what were the chants?
9. How did you feel during the protest?
10. Did any significant events occur during the protest you attended?
11. How did you feel regarding the news media coverage at the protest you attended?
