

**RE: Kern County Museum Foundation (Federal Tax ID# 77-0272697)**

**Dear Community Leader,**

**On October 30th and 31st, 2023, 5:00 to 9:00 PM, the Kern County Museum will present our Annual Safe Halloween event. This event is known to provide a wonderful trick-or-treat experience to 5,000 - 6,000 children and more than 8,000 adults in the Bakersfield-Kern County area. Over fifty local companies and organizations will provide candy, treats, and giveaways to children, as they visit treat stations on the Museum's grounds. This is truly, a community-supported event.**

**As a Safe Halloween Contributor your support would enable the Kern County Museum Foundation to provide bigger and better Safe Halloween activities at a reduced cost. Your organization has the opportunity to be a part of the best Halloween attraction in Kern County, providing children with a fun, wholesome, family-friendly experience they will want to come back to year after year.**

**Since last Halloween, we have been hard at work updating and improving many of the Museum's exhibits and programs. With your support, the Foundation will continue to develop projects that distinctively engage, educate, and entertain.**

**We hope that you and your organization will participate in this year's event as an Event Sponsor. Please find the enclosed forms:**
